Speed Queen.
The Proven Performer in Laundry

SPEED QUEEN® MULTI-HOUSING LAUNDRY SOLUTIONS

Top Load Washer

Push-To-Start

Built for Reliable Performance

The Speed Queen Push-To-Start two-speed top load washer combines heavy-duty construction with reliable operation proven to stand the test of time. They're designed with less moving parts for one reason: so you'll face fewer maintenance problems and less wear and tear down the road. The equipment provides an advantage on such issues as energy conservation, equipment breakdowns and vandalism. These units are ideal for military, colleges, restaurants, beauty salons and other special business applications.

- Durable stainless steel wash tub
- Extract speed of 710 RPM spins clothes out drier
- Automatic Balancing Suspension provides the industry's best out-of-balance handling, completing wash cycles without interruption
- Curved four-vane polypropylene agitator provides 210° agitation stroke which delivers superior washability
- Dependable, Eversmooth transmission

Push-To-Start Control
Push-To-Start control provides easy to start activation indicated by "In Use" light.

Top Load Washer
